Norma,

Kevin asked that we get on Tinka's calendar for a briefing regarding this recently proposed OEPA coal mine permit.

The only date he cannot make it is November 4th.

We would like to get on her calendar prior to Nov 5th, since we have 35 days (from Oct 8, 2013) to respond to OEPA and we need time to get the letter thru WD and ORC.

Probably the last few days in October would be safest.

Please include Kevin, myself and the following staff:

Gary Prichard

Krista McKim

Pat Kuefler

Rob Pepin

Thanks much,

Janet

Subject: NPDES permit for American Energy Corporation - Bennoc Refuse Area... part 1

Mr. Pierard,

My original email on this was bounced back due to attachment size – I'm breaking down further and sending as a series of 8 emails...

Attached are the documents pertaining to Ohio EPA's submission of a draft NPDES permit for the American Energy Corporation's Century Mine Bennoc Refuse Disposal Area. A hardcopy will be sent in today's mail. Let us know of any questions or comments.

Sincerely,

Dan Gill, M.S., P.E.
